We thank and we pray and ask peace for his Prophet Imam all Mujahedeen's

The assassination mission of the spy and whore named Adawiea was completed. She lived in the district of Al Shahed in Samarra. We had previously killed her husband, the spy, yet she continued his work. She was killed by a gun shot inside her house. Her death was directed by the organization (TC: Al Qaeda), due to her work with Al Maghaweer (TC: Iraqi Police Commandos) as an informant (TC: source, agent or spy). Despite her wearing a veil, we thank God the almighty, we had close surveillance and we found she was a whore and a prostitute and that she was delivering information's to the apostate dogs Al Maghaweer (TC: Iraqi Police Commandos, which are only Shia'at personal).
