Subject: The reactivation of Female Division in some cities of the Islamic State

- With greetings, to the Shaykhs in the General Governing Committee... to inform and apprise.

To the Honorable / Wali [Governor] of Aleppo, Allah may protect him.

To the Honorable / Wali of Ar Raqqa, Allah may protect him.

To the Honorable / Wali of Al Khayr, Allah may protect him.

To the Honorable / Wali of Al Furat, Allah may protect him.

May peace, Allah's mercy and blessing be upon you...

I praise Allah, the only God, and I pray that you are leading a healthy and prosperous life. As to the matter at hand:

A directive has been issued by the esteemed Shaykhs of the General Governing Committee to task the Female Division of Al Hisbah Center to work in the following cities only: Manbij, Ar Raqqa, Al Mayadin, and Albu Kamal to deal with the females violators.

Therefore, it is my hope that you kindly direct Emir of Al Hisbah [Religious Police] Center in the Wilayah [ISIS Governorate] to record the names of six female candidates to work in this division according the following table:

Kunyah	Original Country	Age	Degrees Obtained	Name of a Related ISIS Member	Relationship to the ISIS Member	Remarks
--------	------------------	-----	------------------	-------------------------------	---------------------------------	---------

[Blank]	[Blank]	[Blank]	[Blank]	[Blank]	[Blank]	[Blank]
---------	---------	---------	---------	---------	---------	---------

Then, this table should be forwarded to us, to certify and approve the female members, and provide the Center with guidelines regarding the work of the division.

I pray that Allah grants you success and guides your steps.

And I pray that peace, Allah's mercy and blessing be upon you

Yusuf Bin-Salih al-'Arabi [Emir of Diwan of Al Hisbah]
